Please type or neatly print a story in essay form that answers the following questions. You may also include other information about yourself or the exhibit as it relates to the project. Please use a separate sheet of paper. Please limit your story to one side of one sheet. Attach this sheet to your story.

1. Why did you choose this project and what experience did you have before starting it?
2. Share at least one new thing you learned this year by doing this project.
3. Where did you go or who did you work with to get help?
4. What part of the project did you find most difficult?
5. What would you do differently if you were to do the project again? What would you like to learn next?
6. How will you use the information you have learned?

**Attach your story to this sheet
and submit both with your project.**
