Camping forms and reservations must be received by May 13th, 2011. After deadline, entries will be charged a late fee of \$25, for a total fee of \$75, and will be placed wherever there is available space. It is suggested that clubs send their reservations and money in together.

No reservations accepted after June 17, 2011.

Camping forms may be picked up at the same time you get your entry forms. Each unit **MUST** fill out and return all three copies of the 5x8 registration card. Each club **MUST** fill out a club camp summary form, and **ALL** forms and camping fees must be in our hands before we will reserve your space. Make checks payable to, "Eaton County Agriculture Society".

The camp office will be in the campground. Each unit must register at the camp office and get their registration card before being placed. This can be done by the club. Be sure that the person bringing in the unit knows which club it is with.

Because of the limited amount of space we have, please get your units in far enough so you can park between them and the road. You should be able to park all your campers and camp vehicles within your designated club sites.
